# Tools and Their Functions

Choose the right tool

Name: _____ Group: _____ Date: _____

## A. Match each tool to its function

Write a, b, c or d next to each tool.

| Tool | Function |
|---|---|
| 1. T-square _____ | a. Draw circles. |
| 2. Compass _____ | b. Provide a flat drawing surface. |
| 3. Set square _____ | c. Draw straight lines. |
| 4. Drawing board _____ | d. Draw specific angles. |

## B. Complete the purpose sentences

Use to + the verb in brackets.

1. We use a compass _____ circles. (draw)
2. We use a T-square _____ straight lines. (draw)
3. We use a set square _____ specific angles. (draw)

## C. Explain your choice

Choose a tool and write a sentence using “We use … to …”.

1. Task: Draw a circular table on a room plan.

## One more drawing task

2. Task: Draw a 60-degree angle.

# Tools and Their Functions

Ask, explain and respond

Name: _____ Group: _____ Date: _____

## D. Complete the dialogue

Choose one drawing task from page 1. Complete the dialogue with a suitable tool and purpose.

A: Can you give me the _____?
B: What do you want it for?
A: I want to _____.
B: Here you are.
A: Thank you.

## E. Workshop role-play

Work in pairs. One person is the requester; the other is the storekeeper. Choose two tasks, speak without reading the full dialogue, then swap roles.

| Drawing task | Tool I requested |
|---|---|
| A straight wall on a plan | |
| A circular table | |
| A 60-degree angle | |

## F. Exit check

Write two complete sentences: one about a compass and one about a set square.

## Partner check

- ☐ My partner chose a suitable tool.
- ☐ My partner explained its purpose.
- ☐ My partner used to + a base verb.
- ☐ We both practised both roles.
